Dear Parent / Carers,

Each note needs to be individually signed in order for your child to participate in the following activities and programs.

Please complete and sign all sections of the permission notes and return them back to school by Friday 15<sup>th</sup> February 2019.

Thank you for your co-operation.

### **Walk Permission Note**

At certain times during the year, your child will leave the school grounds to take part in various school activities. As we have limited grassed areas in the school grounds to be able to use the areas nearby the school is an asset in meeting the learning needs of students. This may include weekly sports activities at Todd Park or other reserves nearby the school, visits to Carss Park Cottage, Blakehurst High School or other venues within walking distance of the school.

All school activities will need to be approved prior by the principal and parents will receive information as these events occur. Activities or excursions that have a cost involved or require bus transportation will have a separate note sent home by the school.

I give permission for my child \_\_\_\_\_ of class \_\_\_\_\_ to participate in curriculum related activities within walking distance of the school, which may include sports activities at Todd Park. I understand that students will be accompanied by teachers from the school and that activities will have been approved by the principal.

## Scripture & Ethics Classes

Scripture and Ethics take place every Wednesday morning for 30 minutes at Blakehurst Public School and will commence on 13<sup>th</sup> February 2019. Parents/caregivers in public schools have the right to have their children receive instruction in their preferred religious persuasion, where authorised teachers of that persuasion are available.

Special religious education (SRE) programs are available at Blakehurst Public School and are run by authorised volunteers of approved religious persuasions. All Scripture and Ethics teachers comply with the Government's working with children check and are trained in using authorised material from approved religious providers.

Students continue in the same arrangement each year, unless a parent/caregiver has requested a change in writing. At any time, you have the right to change your SRE nomination or to withdraw your child from the nominated lessons. A note to the principal will affect this change. Children not attending SRE will be provided supervision. No lessons are held during this time.

Below is a list of approved special religious education programs provided at our school. In order to organise Scripture and Ethics classes for 2019, please tick the relevant preference for your child.

Please contact the school for further information about SRE or Ethics programs at Blakehurst Public School.
