

## VOLUNTEER IN OUR CANTEEN

Our school canteen always needs our parent/family community to help out in the canteen. Volunteers are needed that can offer anywhere from 2 to 4 hours of help for food preparation and counter service.

No experience necessary!! If you can cook at home then you can help out in the canteen.

All volunteers can enjoy some free lunch and endless amounts of tea or coffee and of course you get to meet some new people and have a chat whilst we prepare to make lunches and snacks for the children.

Our canteen is a vital and exciting part of our student's school experience.

Kids love seeing their parents in volunteer roles, and the Canteen is one of the most accessible volunteer position you can help out in.

Please provide your details and day(s)/ hours you can help and we will make it work for you.

Your commitment to your roster is important for the successful running of the canteen.

Please do your best to prioritize your commitment to work on your allocated days, and advise **ANGELA MORFITIS** on **0400 736 186** as soon as possible if you cannot attend.
